

Four Products for the Price of One!

Sports Blanket...

Perfect for *anywhere*! The Quad One spreads out into a nice 48 x 96 blanket. The outer shell is high quality, water-repellent nylon, while the lining is a warm, soft fleece. Keeps you dry & cozy!

...Rain Poncho

You'll be singin' in the rain with your new Quad One! When that sunny day turns gray, just unzip the hood and slip it on. Tie the shoulder strap around your waist for a firmer fit. You'll stay warm and dry—no umbrella needed! When you get home, just toss into the dryer and it comes out dry & fluffy!

Seat Cushion...

Fold & zip your Quad One, and it makes a comfortable 16x16x3 seat cushion. Comes in handy for sporting events and concerts. Easy to carry!

and Tote Bag...

Great for carrying the small stuff—like your wallet, tickets, sunglasses & more. The adjustable shoulder strap makes it handy to *tote & go!*

Lightweight, Compact and Fun!

SIMPLE FOLDING INSTRUCTIONS FOR THE QUAD ONE SPORTS BLANKET

Spread the blanket out flat on the floor or ground with the nylon side down. Fold along the seams towards the center so the blanket is just one rectangle wide.

Fold over one more time and zip together.

Fold each end towards the middle two folds.

You're ready to tote & go!
